

Notice of Availability: Fort Riley Drinking Water Consumer Confidence Report. The Environmental Division, Directorate of Public Works posted the annual Consumer Confidence Report (CCR) on the internet. Fort Riley, like other public water suppliers, is required to provide this information based on Safe Drinking Water Act requirements. The CCR provides information on the type and name of the water source; information on contaminants including a mandatory monitoring list; information on detected regulated and/or unregulated contaminants; any violations associated with monitoring and reporting; and additional health information for immuno-compromised individuals. Information about CCRs can be obtained from the EPA's Safe Drinking Water Hotline (1-800-426-4791). Copies also can be obtained by contacting the Water Quality Protection Regulations Manager at (785) 239-8491. The direct link is:
