**When users are registered, searching through the CME integration link earns point of care Category 1 CME credits directly from UpToDate [ticker tab tracks your CME].**

## Once CME integration is live:

- Registered users accessing *UpToDate* via the AMEDD Virtual Library will be automatically signed into *UpToDate* – no legal notice, no sign-in.
- Registered users earn *AMA PRA Category 1 Credit™* or *AANP* contact hours each time they research a question using *UpToDate*. If needed, login to *My Account* & change your default settings for CME/CE.
- If users do NOT access *UpToDate* through the AVL, and instead use the “no login/I will register later” link, they will still be able to use *UpToDate*, but will not receive CME credit. (There is no way of getting CME using the “no login” link, because there is no way of identifying an individual user via the “no-login” link).
- You do not need to register if you do not want to earn CME/CE.
