MEMORANDUM THRU:

Your Brigade Commander, Attn: BDE Surgeon

Commander, 1st Infantry Division and Fort Riley, Kansas, Attn: Division Surgeon

Commander, Irwin Army Community Hospital, Attn: DCCS (Optional-I will route this through the DCCS for final signature, so it is not mandatory to include this line.)

FOR: Fort Riley Triad of Leadership (TOL) Board

SUBJECT: Commander's Statement for SPC John Smith, (last SSN 4)

1. Request SPC Smith be evaluated for (Assignment/Attachment/Enrollment or Cadre) to the WTU.

2. PAST HISTORY:

SPC Smith's medical condition began after jumping from a truck during OIF when he injured his _____. He also incurred several blast injuries while in combat, which has led to a diagnosis of Traumatic Brain Injury. He is a Combat Engineer, which requires extensive marching, running and frequent manual labor. Over the past five months, he has been on a limited profile which states that the Soldier cannot _____, _____, and _____.

SPC Smith had surgery on XX May 2009 to repair his _____. SPC Smith returned to work after his convalescent leave and continued physical therapy once per day.

3. PRESENT CONDITION:

His _____ (condition) continues to worsen. SPC Smith's physical therapy consumes 10 hours per week and is expected to last over 6 months. He is also seen in the _____ and _____ clinics and sees a Nurse Case Manager once a week. His appointments take up a total of ____ hours per week.

4. MEDICAL PLAN and PROGNOSIS

Plan:

Prognosis:

5. RECOMMENDATION:

I recommend that SPC Smith be attached or assigned to the Warrior Transition Battalion for Complex Medical Management. I feel that this placement would be best for the Soldier's healing and well being because _____. SPC Smith is going through a Medical Evaluation

Board and will likely be separated from the Army with a medical disability. The Warrior Transition Battalion would be the ideal placement to assist SPC Smith with his Transition into the Civilian world. He would like to earn a college degree and take advantage of Vocational Rehabilitation as part of his Transition, if he leaves active duty service. Thank you for your consideration on this important matter.
